

The mistakes were found in the data of 『D.P.R.Korea Export and Import 2009』 .

It apologizes sincerely to giving confusion to the reader.

I will correct it as follows. (As of November 12, 2009.)

1. The mistake was found in Chapter 2.

1.- 1) The mistake was found in the table of "Fluctuations in DPRK's amount of trade by region(p10)"

A great mistake was discovered in the component ratio before 2007. I will correct it as follows.

※The mistake of 1-1) is due to the miscalculation at the edit stage.

※The mistake of 1-2) is a result of having added the data of the country not made public at point to which the this book series is issued after next year.

2. The mistake was found in the product group and country table of Chapter 7 and Chapter 8.

2. – 1) The unit of value of South Korea (R Korea) of 2007 year was all million dollars though the unit of value of this table was 1,000 dollars. I will correct it as follows. (next page)
